Fenchurch Garden Wins Most Creative Award

Helen Shaw, Malkin Photography

Fenchurch Advisory Partners is pleased to announce that the Fenchurch Garden was awarded a prestigious [Most Creative Award](#) at the Chelsea Flower Show.

We are very thankful to [Paul Hensey](#) and his colleagues at Elysium Design for inviting Fenchurch to step in when their original sponsors pulled out.

Paul produced an outstanding design for the garden, which featured the innovative use of organic concrete forms and vertical planting and demonstrated what can be achieved in an awkward space with limited planting area.
